

# Ansari Intesab

Full-Stack Web Developer with 4+ years of hands-on experience building and deploying real-world web applications using Next.js, Node.js, PHP and WordPress. Strong practical knowledge of hosting, DNS, cPanel and basic DevOps workflows. Self-taught, project-driven, with experience supporting customers at a computer services shop and practicing web security / CTF challenges on TryHackMe.

## Work Experience

### Taqdis Computers - Computer Operator

Dhule, (M.S.) India · Jan 2020 – Jul 2025

- Operated computer systems for online form filling, data entry, e-Seva services (caste, income, domicile, PAN, passport, election card applications) and client record maintenance.
- Assisted customers with scanning, printing, document editing and DTP work such as creating PowerPoint slides, typing exam papers, and designing simple banners.
- Gained exposure to basic networking and router configuration while managing daily shop operations.
- Utilized free time to learn web development independently via YouTube tutorials (HTML, CSS, JavaScript, PHP, MySQL, Node.js, React, and Next.js).
- Applied newly learned skills to build small projects and internal tools for shop use (web forms, simple websites, etc.), laying the foundation for a career in full-stack development.

## Selected Projects

- **i-Card Generator** (Next.js • MongoDB • Cloudinary) - Teacher/student i-card generator supporting image upload, QR generation, JWT auth, and batch printable output. (Aug 2024)
- **Taqdis Computers Portal** (PHP) - Custom CMS for services/products, admin login, and client data logging - used in shop operations. (2022)
- **Ladki Bahin Yojna Portal** (Next.js • MongoDB) - Extracted public PDF data into searchable site with status tracking and Google reCAPTCHA. (2025)
- **Quiz Platform for Students** (Next.js / Node) - Student login, quizzes, score history and leaderboard for training center learners.
- **Practice Clones & Early Projects** - Flipkart, YouTube and Firefox layout clones (HTML/CSS/JS) built during learning phase to master frontend fundamentals.

## Educational Background

### Master of Computer Science

KBC NMU University, Jalgaon

Aug 2025 - Present

### Bachelor of Science

Haji Saeed Ahmad Sardar College Dhule - 02

June 2021 - April 2024

- Specialization in Chemistry.
- CGPA : 9.46
